Catering

All events at The Castle Hotel are catered for by our fantastic restaurant chefs. They provide a range of seasonal set menus, but are flexible with these and can readily adapt to requests. Menus take full advantage of local seasonal produce, ensuring that the cuisine served harmonises with the current climate and surroundings.

Small, intimate weddings

There's something very special about a simple, intimate ceremony with close family and friends, we have the ideal package to suit your needs and pocket.

Brides and grooms will be entitled to a discount on rooms if they wish to stay overnight.

Funerals

At the Castle Hotel, we understand that coming to terms with the loss of a loved one is always difficult, & the added pressure of organising a wake can cause stress at an already emotional time. We specialise in taking away the stress by organising & running your funeral tea, and are able to provide a choice of menus along with refreshments & are happy to accommodate large or small parties.

Christenings

The Castle Hotel is the perfect setting for your christening, easily decorated to make your event special and individual. Choose from one of our wonderful buffets that will be waiting for you on arrival from church.

Parties

Want to throw a party in style? Then come to The Castle Hotel - we know how to have a good time! We are the ideal partner for your event, whether it is a small get-together or a large celebration, we will help you to make it a night to remember. We can accommodate DJs or singers, and can give advice on which sort of entertainment will make your party stand out from the rest.

Baby Showers

At The Castle Hotel we offer a unique baby shower afternoon or evening, where you & your guests will enjoy a lovely tea served with delicate sandwiches, delectable treats and a glass of Prosecco. Baby Showers are a US idea, but are rapidly gaining popularity in the UK. They are a wonderful way to gather friends and relatives to celebrate the new life coming into your family. We think that Baby Showers are a fabulous excuse for a party and a great way to treat a mum to be. Who can say "no" to a party, where you are showered with gifts and goodies for the impending arrival of a new baby boy or girl (or twins, triplets, quadruplets... you get our drift!).
